

**Calvary Church – Where you are welcomed as you are**

We warmly welcome everyone to the community of worship and ministry of our church. We hope you will return often and we pray that you will encounter the deep richness of God’s love and grace.

Our members have diverse backgrounds. We are a congregation of the Presbyterian Church (USA) and the Presbytery of Kiskiminetas, with historic roots grounded in the Protestant reformation of the 16th century and direct lineage from the Church of Scotland. “Presbyterian” comes from the Greek *presbyteros*, “elder,” reflecting our representative form of church government under the guidance of the Holy Spirit.

If you would like to know more about our congregational life, our monthly newsletter and other literature are available on the welcome tables in the narthexes.

## ***Calvary Church – Where you can grow in your faith***

We stand in the Biblical tradition affirming:

- God is sovereign.
- God is unconditional love.
- Jesus is Lord of our lives.
- We are saved by grace, not by our actions.

## ***Calvary Church – Where you can celebrate God's love***

Worship is central to our life as a community of faith. Whatever else God calls us to do, we are called to worship together in the promised company of Jesus Christ.

Through worship, our faith is fostered, our hope restored, our love elevated, and our discipleship developed. God transforms us in worship, so that we respond to God by loving God entirely and loving others compassionately.

## ***Calvary Church – Where you can explore life's questions***

Presbyterians believe in lifelong learning and spiritual growth. In addition to Sunday morning classes for youth, we offer interesting and challenging classes for adults on Sundays and at other times of the week.

## ***Calvary Church – Where you can make a difference***

Collectively and as individuals, Calvary members reach out to people in all walks of life, locally and globally. We engage in local ministries such as Back to School Bash, Salvation Army Treasures for Children, CROP Walk, and Family Promise. We also support international mission through such efforts as partnership with a church in Rwanda. A compassionate outreach is a hallmark of this community of faith.

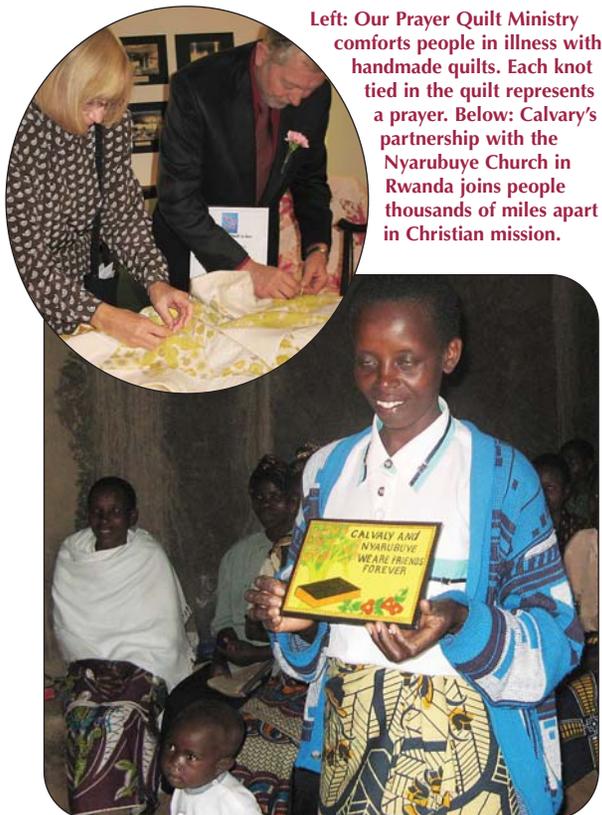

## ***Calvary Church – Where you can build relationships that last***

There are many opportunities here for youth and adults to meet and socialize. Join us at Fellowship Time following the Sunday morning service for conversation and refreshments. You'll soon find new friends here.

## ***Calvary Church – Where you can discover a new spirit***

Calvary hums with activity throughout the week as members and people from the wider community gather in our building for worship, study, prayer, fellowship, community organization meetings, and seasonal celebrations.

If you are looking for a church home, we invite you to make Calvary yours.

## ***Calvary Church – Where you can be part of a rich heritage***

Our congregation was organized in 1807 as the First Presbyterian Church in Indiana. Meeting first in homes and, after 1809, in the County Courthouse, the congregation erected its first building in 1827 on this site – ground donated by George Clymer, a signer of the Declaration of Independence. In 1858 a larger church replaced the initial building.

In 1904 work began on the third and present building, which was completed and dedicated in 1906. Originally the northwest tower of our building was crowned by a steeple, which was removed in 1966 after weather damage affected its stability. The education wing was added in 1955 to accommodate a growing congregation.

In 1959 the congregation changed its name when the merger of two branches of Presbyterians into a single denomination left two "First" churches standing side by side in Indiana. Our congregation chose the name Calvary Presbyterian Church.

The octagonal sanctuary of this Victorian eclectic building incorporates a central pulpit, reflecting the centrality of God's Word. The semi-circular pew arrangement allows the congregation to see and hear clearly from any seat.

The beautiful art glass windows and dome exemplify the Arts and Crafts style with details painted on opalescent glass. The "David and Jonathan" window in the

east wall of the sanctuary, the "Road to Emmaus" window high in the north wall, and other windows throughout the church represent Biblical themes.
