Announcements for Week of April 11, 2021

We welcome to the pulpit Ruling Elder Barkley Butler today. We thank God for his gift of ministry to Calvary and look forward to his worship leadership.

Gradual Reopening Continues with Christian Education News

Nursery will be available for use beginning Sunday, April 18 at 10 a.m.

Calvary Kids Connection Sunday morning program for children K – 5th grade will continue beginning Sunday, April 11 through Sunday, May 23. Though the group will meet in person in the East classroom beginning 10:15 a.m., we will also continue to send zoom links to anyone who feels more comfortable joining us virtually. Parents can email calvarydce695@gmail.com if they would like the zoom link to the class.

TREX Earth-Friendly Composite Park Bench

The TREX Recycle Box to collect clean plastic bags and wrappers will be in place on April 18. The first box will be located to the right of the School Street entrance. We will be collecting produce, store, and ice bags, Ziploc and other reclosables, cereal box liners, case overwrap, bread bags, newspaper sleeves, bubble wrap, and dry-cleaning bags. If you want to deposit any of these bags and wrappers earlier, there are boxes located at One Hour Dry Cleaners and S&T Bank on Philadelphia Street. This is a win-win project: it helps to keep the environment cleaner, and we will get a free TREX Earth-friendly composite park bench made from the plastics after we collect 500 pounds. Let's all do our small part for our God-given earth!

Donations and Volunteers Needed for the Outdoor Food Pantry

Through April, non-perishable food donations may be left Monday – Friday from 8 a.m. – 5 p.m. outside in the red tub to the left of the School Street door. We also need volunteers, for one week at a time, to replenish the cabinet. Please contact Christine Spielman at (724) 349-8255 or spielmanchristine@gmail.com if you are willing to volunteer.
